ANNUAL REPORT

OF THE

PUBLIC PRINTER

FOR THE

FISCAL YEAR ENDED JUNE 30, 1890.

DECEMBER 18, 1890.—Referred to the Committee on Printing and ordered to be printed.

WASHINGTON :
GOVERNMENT PRINTING OFFICE.
1890.

ANNUAL REPORT
OF
THE PUBLIC PRINTER.

OFFICE OF THE PUBLIC PRINTER,
Washington, D. C., December 17, 1890.

SIR: As required by law, I have the honor to transmit to Congress the report of the condition and operations of this office for the fiscal year ended June 30, 1890.

F. W. PALMER,
Public Printer.

Hon. LEVI P. MORTON,
President of the Senate.

To the Senate and House of Representatives:

In the appendix to this report will be found tabular exhibits showing in detail the financial transactions of the Government Printing Office for the fiscal year which terminated June 30, 1890. In order that there may be a full knowledge of the present condition and future needs of the office, I submit herewith a statement showing what means have been adopted for the improvement of the plant since the close of the fiscal year.

In response to urgent appeals by some of my predecessors and myself for a new fire-proof building for this office, provision was made by act of Congress during the last session for the appointment of the Secretary of the Treasury, the Architect of the Capitol, and the Public Printer as a commission to select a suitable site for such a building. They were empowered to acquire, either by purchase or condemnation proceedings, the land necessary for the purpose, and the sum of \$250,000, or so much thereof as might be necessary, was appropriated. Provision for this fund was made in the act making appropriations for sundry civil expenses of the Government, approved August 30, 1890. The commissioners held their first session in the rooms of the Secre-

tary of the Treasury on the 1st of September, and organized by the election of Hon. William Windom as chairman and F. W. Palmer as secretary. During this session a resolution was adopted authorizing the insertion in two daily journals of this city of an advertisement, inviting the presentation of sealed proposals for the sale of land for the purpose heretofore mentioned. In response to this advertisement, seventeen different bids were submitted, and, after careful personal examination of all the different tracts of land offered had been made by the commission, the west half of square 678, bounded by G street on the north, First street on the east, North Capitol street on the west, and F street and Massachusetts avenue on the south, was deemed in all respects the most eligible, and articles of agreement for its purchase were executed by the commission and Mr. C. A. Snow, the owner. The question of title was submitted to the Attorney-General for his examination; but, inasmuch as conflicting claims of ownership were submitted to him, he reported, on the 3d of December, that up to that time the title had not been perfected; and the board therefore requested him to commence proceedings at once for the condemnation of the property, in accordance with the provisions of the act under which the commission had been appointed. In the appendix to this report will be found in detail an official statement of the proceedings of the board in fulfillment of the trust committed to them.

A site for a new Government Printing Office having been thus virtually selected, I recommend most earnestly an appropriation by Congress during the present session for the construction of a fire-proof structure. The reasons for urgency were stated in my last annual report, and were, in brief, that a portion of the present building is constructed of combustible material and is constantly liable to destruction by fire; that there are at times in the building more than two thousand employés, and that a fire would almost inevitably be accompanied by the loss of a large number of human lives; that the present structure is ill lighted, poorly ventilated, inconveniently arranged, and so circumscribed in dimensions that much of the work is done at great disadvantage. In the interest of economy, of security to Government property, and of humanity, the new structure should be commenced at the earliest possible day and prosecuted to final completion with the utmost vigilance and dispatch.

In the appendix to this report will be found a statement of the condition of the presses in this office on the 30th day of June, 1890. Since that date contracts have been made for nine new presses, which will take the place of an equal number which have become unserviceable by reason of long use. Careful estimate has been made of the additional number of new presses which will be needed, and an appropriation of \$100,000 is asked for this purpose. The increase of work in this office makes necessary the procurement of new and improved machinery, and, while celerity of work would be secured by such expenditure, economy would be also accomplished.

In my last annual report I presented the facts connected with the claim of the estate of Mr. John C. Rives for the storage of stereotype plates of the Congressional Globe. Although this service was rendered mainly during the administrations of my predecessors, I consider the claim a just one, and therefore recommended its payment. I renew that recommendation.

For details showing the amount of work executed by this office during the last fiscal year, reference is asked to the tabular statements in another part of this report.

F. W. PALMER,
Public Printer.

APPENDIX.

REPORT OF THE COMMISSION TO SELECT A SITE FOR THE GOVERNMENT PRINTING OFFICE.

To the Senate and House of Representatives :

The undersigned, appointed as a Commission to select a site for the Government Printing Office, beg leave to submit the following report:

During the first session of the Fifty-first Congress the act making appropriations for sundry civil expenses of the Government, approved August 30, 1890, contained the following provisions:

SEC. 2. That to provide accommodation for the Government Printing Office, and the construction of the needed storage and distributing warehouses in connection therewith, the Secretary of the Treasury, the Public Printer, and the Architect of the Capitol, acting as a board, be, and they are hereby, empowered and instructed to acquire, either by purchase or by condemnation proceedings, as hereinafter provided, the land necessary, in their opinion, for the purposes aforesaid, and for the purposes stated, the sum of two hundred and fifty thousand dollars, or so much thereof as shall be necessary, is hereby appropriated out of any money in the Treasury not otherwise appropriated.

SEC. 3. That in the event it shall be necessary, in order to carry out the purpose of the foregoing section, for the board, as above constituted, to acquire land, said board is empowered and directed to acquire the same by negotiation, where any such land may and can be so acquired and title secured at a price not above a fair relative value as to other lands which have been sold in the immediate vicinity; or if the said board hereby created shall be unable to purchase said land by agreement with any one or more of the respective owners at a reasonable price within sixty days after the passage of this act they are authorized and directed to make application to the supreme court of the District of Columbia, at any general or special term thereof, by petition for the condemnation of such land not so purchased, and for the ascertainment of its value. Such petition shall contain a particular description of the property not so purchased, and selected for the purpose aforesaid, with the name of the owner or owners thereof and their residences, so far as the same may be ascertained, together with a plan of the land proposed to be taken; and thereupon the said court is authorized and required to cite all such owners and all other persons interested to appear in said court at a time to be fixed by such court, on reasonable notice, to answer the said petition; and if it shall appear to the court that there are any owners or other persons interested who are under disability the court shall give public notice of the time at which the said court will proceed with the

matter of condemnation; and at such time if it shall appear that there are any persons under disability either who have appeared or who have not appeared, the court shall appoint guardians ad litem for each such persons, and the court shall thereupon proceed to appoint three capable and disinterested commissioners to appraise the value of the respective interests of all persons concerned in such lands, under such regulations as to notice and hearing as to the court shall seem meet. Such Commissioners shall thereupon, after being duly sworn for the proper performance of their duties, examine the premises and hear the persons in interest who may appear before them, and return their appraisement of the value of the interests of all persons, respectively, in such land; and when such report shall have been confirmed by the court the President of the United States shall, if he think the public interest requires it, cause payment to be made to the respective persons entitled according to the judgment of the court, and in case any of such persons are under disability, or can not be found, or neglect to receive payment, the money to be paid to any of them shall be deposited in the Treasury to their credit, unless there shall be some person lawfully authorized to receive the same under the direction of the court, and when such payments are so made, or the amounts belonging to persons to whom payment shall not be made are so deposited, the said lands shall be deemed to be condemned and taken by the United States for the public use.

The Commissioners authorized by the act heretofore mentioned held their first session in the rooms of the Secretary of the Treasury on the 1st of September, 1890, and organized by the election of Hon. William Windom as chairman and F. W. Palmer as secretary. During this session a resolution was adopted authorizing the insertion in two daily journals in this city of an advertisement inviting the presentation of proposals for the sale of land for the purpose heretofore mentioned. The advertisement was in the following language:

PROPOSALS FOR A SITE FOR A BUILDING FOR THE GOVERNMENT PRINTING OFFICE.

WASHINGTON, D. C., September 2, 1890.

Sealed proposals will be received until 12 o'clock m. of Wednesday, September 17, 1890, by the undersigned, for the purchase of a site for a new building for the Government Printing Office, said site to contain about one hundred and fifty thousand (150,000) square feet, and to be within the bounds of H street north, First street east, B street north, and Ninth street west, in the city of Washington.

Each proposal will state the location of the ground, the number of square feet offered, and the names and residences of the owner or owners.

These proposals must be indorsed "Proposals for a site for the Government Printing Office," and addressed to Hon. William Windom, Secretary of the Treasury, chairman of the Board.

WILLIAM WINDOM,
Secretary of the Treasury.
FRANK W. PALMER,
Public Printer.
EDWARD CLARK,

14.

WASHINGTON, D. C., Sept. 17, 1890.

Gentlemen of the Board for the Selection of a Site for the Public Printing Office of the United States:

SIRS: In reply to your advertisement in the Star, I beg to offer one hundred and fifty thousand (150,000) feet of the western half of square 678, situated on North Capitol st., between F and G streets, including lots 3, 4, 5, 6, 7, and 8, at the rate of one dollar and fifty cents (\$1.50) per square foot; or I will sell all the ground, 170,674½ square feet, for two hundred and forty-nine thousand seven hundred dollars (\$249,700). I am the sole owner, and can make a perfect title and give immediate possession of the entire property. The ground above offered is vacant, except temporary structures, and is surrounded by a high board fence. My residence is at 712 Eighth street, N. W., Washington, D. C.

Very respectfully,

C. A. SNOW.

WASHINGTON, D. C., September 25, 1890.

Gentlemen of the Board of Selection of a Site for the Government Printing Office:

GENTLEMEN: In response to your letter of recent date, I have the honor to state that, after consideration of the same and responding thereto, I submit the following amendment of the within proposal: I will sell the west half of said square six hundred and seventy-eight,

which contains, in square feet, 170,648 sq. ft., more or less, for the sum of two hundred and forty-three thousand one hundred and seventy-five dollars (\$243,175). Said ground is bounded on the north by G street, N. E., on the south by Massachusetts avenue and F street, N. E., on the west by North Capitol street, and on the east by an unnamed street or alley sixty feet wide along the entire length of said tract.

Respectfully,

C. A. SNOW.

15.

WASHINGTON, D. C., Sept. 10th, 1890.

Hon. WM. WINDOM,
Secty. Treasury, etc.:

SIR: We submit the following property under the invitation for proposals for site for Govt. Printing Office:

This square (754) is 2 streets east of the limits of your advertisement, but within the scope of the law.

We offer the east half of the square 754, 164' 8 $\frac{1}{2}$ " on E and F sts., N. E., by 348 ft. on 3d st., containing 58,317 $\frac{1}{2}$ sq. ft., at \$1.00 per sq. ft., owned by D. A. Windsor, of Alexandria. There are no improvements of consequence on the square.

Respy,

FISH & MILLER, Agents.

16.

WASHINGTON, D. C., Sept. 16th, 1890.

Hon. WM. WINDOM,
Secretary of Treasury, Washington, D. C.:

DEAR SIR: We beg to offer the following square of ground as a site for the Gov't Printing Office. Although not in the limit described in the advert. its close proximity and convenience to the Capitol, and also the cheapness of the ground, we hope, may be worth your consideration.

Square 754, containing 114,637 square feet, between 2nd and 3rd and E and F sts., N. E.; price, \$1.25 per foot, amounting in all to \$143,296 $\frac{25}{100}$.

The names of owners are David A. Windsor, Alexandria, Va.; Dr. L. W. Ritchie, 3259 M st., N.W., and Wash. Danenhower, for S. D. Smoot, Alexandria, Va.

Very respectfully,

CARUSI, EVANS & CARUSI.

17.

WASHINGTON, D. C., Sep. 11th, 1890.

Hon. WILLIAM WINDOM,

Secty. of the Treas. and chairman of board:

D'R SIR: We have the honor to submit for a site for the Gov't Printing Office the south half of square 673, as per inclosed plat, fronting 273 3 feet on North Capitol and First st., east, and 782 4 feet on L

street and intermediate street, containing about 213,772 sq. feet, for the sum of two hundred and fifty thousand dollars. We venture to submit this, although it is not in the limits named in your proposals for bids. The city will lay asphalt on N. Capitol this season to M st., and the building of the electric R. R on N. Capitol from B st., N. W., to Boundary will give ample facilities for transit. Material could no doubt be delivered on the railroad to the Capitol.

The tracks of the B. & O. R. R. are located on First st., N. E., and switches could be run into this square if desired. Sewerage facilities are ample.

Very resp'y,

A. L. BARBER & Co.,
By J. PAUL,
Agents for Owners:
DAVID R. WINDSOR,
Washington, D. C.,
WILLIAM MAHONE,
Petersburgh, Va.

The foregoing bids were scheduled and the Board then proceeded to view by personal inspection the several pieces of property offered. On the 23d of September the Board met at the office of the Secretary of the Treasury, Hon. George S. Batcheller, Acting Secretary of the Treasury, being present and acting in behalf of the Secretary, and, after a full consideration of the various propositions submitted, authorized the chairman to prepare and send a letter, of which the following is a copy:

OFFICE OF THE PUBLIC PRINTER,
Washington, D. C., September 23, 1890.

C. A. SNOW, Esq.,
712 Eighth street, northwest, city.

DEAR SIR: The Board to provide accommodation for the Government Printing Office, having under consideration several parcels of land for such site, have examined the western half of square 678, owned by you. As required by statute, the Board is limited as to price "not above a fair relative value as to other lands which have been sold in the immediate vicinity."

Considering the price higher than the Board is authorized to pay, it is desired that you inform the Board at an early day the lowest price you will accept for said property.

The Board will meet at 11 o'clock Thursday morning, the 25th instant, to consider your answer to this request. Should you desire to be present on that occasion you are invited to do so.

Very respectfully,

GEORGE S. BATCHELLER,
Acting Secretary of Treasury,
Chairman of Board.

In addition to the foregoing authorization, the Public Printer was requested to ascertain and report at a subsequent meeting of the Board the price of any real estate sold recently in the vicinity of the Government Printing Office.

At a meeting of the Board, held on the 25th of September, Mr. C. A. Snow, owner of the west half of square No. 678, city of Washington, was present by invitation, and submitted an amended offer to sell the said property, together with affidavits of property owners in the immediate vicinity of said square. Mr. Snow's amended proposition was as follows:

WASHINGTON, D. C., September 25, 1890.

Gentlemen of the Board of Selection of a Site for the Government Printing Office:

GENTLEMEN: In response to your letter of recent date, I have the honor to state that, after consideration of the same and responding thereto, I submit the following amendment of the within proposal: I will sell the west half of said square 678, which contains in square feet 170,648 square feet, more or less, for the sum of \$243,175. Said ground is bounded on the north by G street northeast, on the south by Massachusetts avenue and F street northeast, on the west by North Capitol street, and on the east by an unnamed street or alley 60 feet wide, along entire length of said tract.

Respectfully,

C. A. SNOW.

The foregoing proposition was accompanied by the following affidavits:

WASHINGTON, D. C., September 24, 1890.

DISTRICT OF COLUMBIA, ss:

I, Charles A. Shields, being duly sworn, do depose and say that as a real estate broker I sold to Messrs. Lane & Malnati lots 19 and 25 in square 679, containing about 12,862.67 feet of vacant ground, for \$16,078.34, or \$1.25 per foot cash, on or about February 17, 1890.

CHARLES A. SHIELDS,
1405 F street, northwest.

Subscribed and sworn to before me this 24th day of September, 1890.

WILLIAM M. SMITH,
Notary Public.

DISTRICT OF COLUMBIA, ss:

On this day, 24th of September, in the year of our Lord 1890, before me, the subscriber, a notary public in and for the District, personally appeared John Raedy, and made oath in due form of law, deposes and says that I offered the owner of lot No. —, in square No. 677, the sum of \$1.25 per square foot, and said offer was refused, the parties stating that they valued the lot at a higher price; that said offer was made in good faith.

JOHN RAEDY.

Subscribed and sworn before me.

CHARLES W. FLECKHER,
Notary Public.

DISTRICT OF COLUMBIA, ss:

On this 25th day of September, in the year of our Lord 1890, before me, the subscriber, a notary public in and for the District, personally appeared W. H. German, and made oath in due form of law, deposes and says that he had a client who was desirous of purchasing a corner property in the city of Washington; that in accordance with his desires deponent found a piece of property situated at the corner of Massachusetts avenue and North Capitol street, being lots Nos. 1 and 42, square 625, for which he offered the owner \$2.50 per square foot, and which offer was refused, the owner holding said property at \$25,000, being at the rate of about \$4 per square foot.

W. H. GERMAN.

Subscribed and sworn before me.

JOSEPH ROY,
Notary Public.

The Public Printer reported that Mr. McDowell, corner of North Capitol street and Massachusetts avenue, had been informed that \$2.50 per square foot had recently been offered for property at the corner of North Capitol street and Massachusetts avenue, which offer had been declined; that Mr. McDowell had also knowledge of an option at the rate of \$1.50 per square foot for property at the corner of E and North Capitol streets, the option to be accepted in sixty days or followed by a forfeiture of \$1,000; that Mr. McDowell himself owns 7,000 square feet of ground at the corner of E and North Capitol streets, for which he had refused an offer of \$2 per square foot. The Public Printer, in addition, reported that Mr. T. A. Rover, who owns considerable property in the vicinity of the Government Printing Office, values the said property at \$2.50 per square foot, some of which property he had bought two years ago at the rate of \$1.50 per square foot; that Mr. Rover had recently purchased the northeast corner of North Capitol and H streets for \$6 per square foot, with improvements, and that he values the land, without the improvements, at the rate of \$4 per square foot; that Mr. Rover represents that offers which he recently made of \$3 per square foot for land opposite the Government Printing Office on North Capitol street had been declined.

After careful examination of all the bids and after all the bids which had been offered had been inspected personally by each member of the Board, a motion was made and carried unanimously for the acceptance of the amended proposition of Mr. C. A. Snow. The following articles of agreement were thereupon prepared, read, accepted, and signed by Mr. C. A. Snow, owner of the property in question, and by George S. Batcheller, Acting Secretary of the Treasury; Frank W. Palmer, Public Printer; and Edward Clark, Architect of the Capitol:

Articles of agreement, made and entered into this twenty-fifth day of September, A. D. one thousand eight hundred and ninety, between C. A. Snow, party of the first part, and George S. Batcheller, Acting Secretary of the Treasury, Frank W. Palmer, Public Printer, and Edward Clark, Architect of the Capitol, duly authorized hereto, on behalf of the

United States of America, in pursuance of an act of Congress approved August 30, 1890, party of the second part, in the manner following:

The said party of the first part, in consideration of the sum of one dollar to him in hand paid, the receipt whereof is hereby acknowledged, hereby agrees to sell to the party of the second part the following-described real estate, situated in the city of Washington, District of Columbia, to-wit:

The western half of square numbered six hundred and seventy-eight, bounded on the north by G street, on the west by North Capitol street, on the south by Massachusetts avenue and F street, and on the east by the alley, sixty feet wide, as now laid out, for the sum of two hundred and forty-three thousand one hundred and seventy-five dollars (\$243,175), which the said party of the second part hereby agrees to pay to the said party of the first part, in cash, upon the execution, acknowledgment, and delivery to the United States of America, party of the second part, of a proper deed for the conveyance and assuring to them of the fee simple of said premises, free from all incumbrances and with taxes paid to date, which said deed shall contain a clause of general warranty.

The title of the property hereby agreed to be conveyed shall be submitted to and be approved by the Attorney-General of the United States, and all the terms herein agreed upon shall be complied with within five (5) days from the date hereof.

In witness whereof the parties to these presents have hereunto set their hands and seals this 25th day of September, A. D. 1890.

C. A. SNOW. [SEAL.]
 GEO. S. BATCHELLER, [SEAL.]
Acting Secretary of the Treasury.
 FRANK W. PALMER, [SEAL.]
Public Printer.
 EDWARD CLARK, [SEAL.]
Architect of the Capitol.

Signed, sealed, and delivered in the presence of—

C. M. HENDLEY,
 H. T. BRIAN.

Mr. Snow then presented an abstract of title to the west half of square No. 678, and the following letter to the Attorney-General was authorized to be presented to that officer, together with the articles of agreement and abstract of title:

WASHINGTON, D. C., September 26, 1890.

SIR: The Board to provide a Site for the Government Printing Office, authorized by the sundry civil law approved August 30, 1890, has the honor to transmit to you articles of agreement between C. A. Snow, the owner of the west half of square No. 678, in the city of Washington, and said Board, together with an abstract of title of said ground, and to request that you have the title examined, and if found good that you will have prepared the deed necessary to vest the title in the United States.

By order of the board.

Very respectfully,

GEORGE S. BATCHELLER,
Acting Secretary of the Treasury,
Chairman of the Board.

The ATTORNEY-GENERAL, City.

At a meeting of the Commission, held at the Treasury Department on Tuesday, December 2, the following resolutions were offered and adopted:

Resolved, That the President of the Board be instructed to communicate with the Attorney-General and ascertain whether the title to west half of square 678 has been perfected, so that the parties offering the same can convey complete and perfect title.

It was further resolved that, if not so perfected, the Attorney-General be requested to proceed as early as practicable to procure the property by condemnation, as authorized by law.

In accordance with the foregoing resolutions the Secretary of the Treasury addressed a communication to the Attorney-General in the following language:

TREASURY DEPARTMENT,
Washington, December 3, 1890.

SIR: At a meeting, held yesterday, of the Commission to secure a Site for a Building for the Government Printing Office I was instructed, by resolution, to ascertain whether the title to the west half of square 678, which has been selected, has been perfected, so that the owners of the property can convey a complete and perfect title to the United States.

Respectfully yours,

W. WINDOM,
Secretary.

Hon. W. H. H. MILLER,
Attorney-General, Washington, D. C.

To the foregoing the Attorney-General made this response:

DEPARTMENT OF JUSTICE,
Washington, D. C., December 3, 1890.

DEAR SIR: Your note of this date, in reference to the property under consideration for the Government Printing Office, viz, the west half of square 678, is received. The title has not been perfected.

Yours, truly,

W. H. H. MILLER,
Attorney-General.

Hon. WILLIAM WINDOM,
Secretary of the Treasury.

The efforts of the Commission to obtain a title to the property heretofore described, by negotiation, having failed, the Chairman of the Board asked the Attorney-General to commence proceedings to procure the same by condemnation. The following is a copy of the letter addressed to the Attorney-General:

TREASURY DEPARTMENT, OFFICE OF THE SECRETARY,
Washington, D. C., December 4, 1890.

SIR: In view of the fact, as stated in your letter of the 3d instant, that the title to the west half of square 678, which has been selected as a site for the Government Printing Office, has not been perfected by the parties offering to sell the same to the Government, I am instructed,

by resolution of the Commission, to ask that proceedings may be instituted as early as possible to procure said property by condemnation, as authorized by law.

Respectfully yours,

W. WINDOM,
Secretary.

Hon. W. H. H. MILLER,
Attorney-General, Washington, D. C.

By the terms of the act under which the Commission were appointed they were authorized to acquire suitable ground for a site for the Government Printing Office by negotiation or condemnation. They were not required to advertise for proposals; but, in order to prevent even the appearance of partiality or unjust discrimination, they authorized the public notice to owners of real estate, a copy of which is furnished in another part of this report. They fixed the boundaries therein described, for the following reasons:

First. Because they believed the public interest would be served by selecting, if possible, a site adjoining or adjacent to the present Government Printing Office.

Second. Because facilities for prompt communication between the Capitol, the several Executive and Judicial Departments, and the Government Printing Office require that the latter shall be at as short a distance from all of the former as possible.

Third. That the property to be purchased should be of such increased area in comparison with the site of the present building as would meet the requirements of this branch of the Government service for the present and a reasonable period in the future.

Fourth. Because the land selected is nearer to all railroad and steam-boat lines than the site of the present building, and would thus diminish time and expense in freight transportation.

It will be seen at a glance that the consideration of nearness to the Capitol and the several Departments precluded the practicability of selecting a site north of H street, because such a selection would have increased rather than diminished the distance between the several objective points. The boundary of First street east was as far east as was deemed practicable, without imposing upon employés and the public the necessity of crossing and recrossing the tracks of the Baltimore and Ohio Railway. Ninth street, on the west, and B street north, on the south, were fixed as boundaries in those directions, so that no undue advantage might be taken by property-holders of the general purpose of the Commission to make a selection as near as possible, all other considerations being equal, to the vicinity of the present plant.

The Commission have taken especial pains to investigate the character of the soil on the tract selected, with reference to its fitness for a foundation for the proposed building, and from all sources of information at their command are convinced that a good foundation may be established thereon at a reasonable cost.

The Commission, when they signed in behalf of the Government the articles of agreement herein transmitted, entertained the hope that they might announce the purchase of this property, with good and sufficient title, by negotiation, and thus facilitate the praiseworthy movement inaugurated by Congress for the construction of a fireproof Government Printing Office. But complications affecting the question of title have arisen, so that the Attorney-General has not thus far been able to report exclusive and valid ownership in Mr. Snow, and by unanimous vote of the board the Attorney-General has been requested to commence proceedings for condemnation of the property at the earliest day possible.

The area of the present site of the Government Printing Office is, in round numbers, 66,000 square feet. The site selected by the Commission embraces more than 170,000 square feet, or nearly three times the area of the site now in use.

For convenience of reference, a diagram showing the location of blocks of land in which are located tracts and lots offered as sites for the Government Printing Office is herewith furnished; also, a tabular statement showing the names and numbers of lots and blocks and the prices at which the several pieces of property were offered.

All of which is respectfully submitted.

WILLIAM WINDOM,
Secretary of the Treasury.
F. W. PALMER,
Public Printer.
